Foreword -

The Senior Class presents this annual—the Student of 1926. We, the editors, hope that it may meet with the approval of its readers and that it may worthily reflect the traditions of Port Huron High School.

Dedication -

In appreciation of those pioneers who struggled, amid great difficulties, that we, of the present generation, might receive greater educational opportunities, we, the class of 1926, respectfully dedicate this book.

*My ships went bravely
out to sea,
Their white sails slanting
to the sun.
Ah! Fair, in truth were
they to me.
I watched them riding
gallantly
The crested waves till,
one by one,
They touched the far
horizon's rim
And vanished in the dis-
tant dim.*

*Where dwelleth knowledge
Doth there dwell that golden
key
That ope's the palace of
eternity?*

*I silently gazed
On the shadowy waves' play-
ful motion*

*From the dim distant hill, till
the lighthouse fire blazed
Like a star in the midst of
the ocean.*

*One moment I looked from the
hill's gentle slope;
All hushed was the billows'
commotion,*

*And o'er them the lighthouse
looked lovely as hope,
That star of life's tremulous
ocean*

*To him who loves the
ever murmuring trees,
The lakes, and midnight
and the whispering
breeze,
The stars, and moon-
light and the grassy
sward,
Great loneliness can be
its own reward.*

Juniors

Junior President's Message

SPRING comes and with it a whole troop of happy thoughts come leaping into our minds. But one thought alone dominates us, for spring to the Juniors means we have come near reaching one of our long cherished ideals—that of being Seniors.

As we view the past we are quite dissatisfied with so many mistakes, with such poor work, and we pause and wonder if we are worthy of the name which we are about to assume.

Our ideal moves on to something bigger and finer. For us to be Seniors will mean the grim determination to build firmly and strongly each day of the coming year so that we may bring honor to all those who have served us.

May we remember and aspire to the spirit of the Greeks, who—

*"Wrought with greatest care
Each minute and unseen part,
For the Gods see everywhere."*

—THEODORE HOWARD.

Sophomores

Sophomore Class President's Message

FELLOW CLASS MATES:

As we are now approaching the end of our first year in High School, let us pause a moment to look back on it. Hasn't it been one solid year of enjoyment? Then look ahead two years. What will the Class of '28 do in that time? Let us hope that the spirit which we now have will continue during the rest of our short stay in old P. H. H. S.

May we, when our class name is but changed from Sophomores to Juniors, still have the complete co-operation of each class member; may we still carry on school and class activities in such a way that, as Juniors, we will be an asset to our school. So, Sophomores, in the things we undertake, why not make our goal—success for Port Huron High and the Class of '28?

E. F. WONDERLIC '28.

Our Cheerleaders

Senior	-	-	-	-	-	-	-	JAMES MILLS
Junior	-	-	-	-	-	-	-	CARLTON CAREY
Sophomore	-	-	-	-	-	-	-	ELDON WONDERLIC

THREE boys clad in white dashed out onto the gridiron, they gave the signal and the crowd responded with a big "Red and White." Who were these young men? They were P. H. H. S. cheerleaders.

Last fall, P. H. H. S. won the Michigan State football championship, having the best team in the State and one of the most deserving of support that ever trod on the Port Huron gridiron. Much of the credit for this great victory was due to our cheerleaders who aroused great school spirit and pep with their yells. Our cheerleaders put fighting spirit and enthusiasm into those yells again and again until you responded. We all appreciate what they did to make a success of the games.

Port Huron for many years has been looking forward to just such a successful season as we had this year in football.

The squad this season was captained by Raymond Hupert, half-back. As a field general, Hupert was hard to beat. He is a Senior and the loss of him will leave a gap that will require a good man to fill.

JONAH HILL, tackle, played a fine game on a dry field, but his work was handicapped because of the wet field that characterized the season. Jonah is only a Sophomore, and should make a valuable man in his remaining years.

NEIL MARSHALL, halfback, played a stellar game of ball until an injury received during mid-season forced him to withdraw early from the remaining games. Marshall has since left school, and so will not be available next year.

VERNON MONZO played a steady game at the other end position. He was reliable on defensive, and his punting pulled the team out of many a tight place.

CECIL TURNER was one of the best fullbacks in the State. A typical football man, Turner showed a fleetness of foot and an audacious persistency which gained him a place on the official third team of the State. Turner is another Senior, and his loss will be keenly felt by coaches and players.

CARL STEINBORN, halfback, is a Sophomore, and lacked experience this year. He should gain a permanent berth on the team in his remaining years and develop into a valuable player.

THEODORE HOWARD, guard, was another Junior High product. Howard was noted for his reliability which gave the backfield added confidence. Howard is a Junior and should have his regular berth next year.

LEO DRAVELING, tackle, because of his size and spirit, made a formidable opponent. Draveling was responsible for breaking up many plays of the opposing team. He was a good man both on defensive and offensive work. Draveling is a Junior and should be a regular next year.

WILFRED MOLLOY, center, has now completed four years of football work, two years in Junior High, and two in High School. He played steadily throughout the season, and next year should be a real sensation.

ALBERT O'DELL, quarterback, is an example of what fine coaching can do. O'Dell developed from a mediocre player from Junior High, to one of the mainstays of the team. His kicking, passing, and running gained him a reputation in State circles. O'Dell should develop into a real star in his next two years of High School competition.

WILSON MONTGOMERY was Draveling's team-mate at tackle. Montgomery is a Sophomore and played his first year in High School circles. He should develop into a first class tackle in his remaining two years.

CARL CHRISTENSON capably filled Cataline's position at end. He was handicaped by his small size, but more than made up for it by his aggressive spirit. He is a Junior and has another year to compete.

CLIFFORD BASCOM, quarterback, was only kept from a regular berth by his diminutive size; his work was brainy and fast. He had a fighting spirit which kept up the morale of the team while he was calling the plays.

RICHARD MUGAVERO, an outstanding figure in school sports, was utility backfield man for the team. He was a steady player, reliable and fast. He has another year for High School competition.

MARSHALL WOODS, the other regular guard, was another man hard to stop. His dependability and his aggressiveness carried him through the opposing line in every play. Woods is another great loss to the team for he graduates this year.

FOOTBALL SQUAD

Football

THE 1925 football season was one of the happiest in the Port Huron High annals.

The team played steadily and consistently, won every game, and achieved more fame by ending the season with their goal line yet to be crossed by their rivals. Improved coaching methods were largely responsible for this wonderful record. The coaching staff was headed by "Baldy" Bonnett, former High School and West Point athlete. Bonnett was ably assisted throughout the season by "Sod" French, former head coach, "Bill" MacIntosh, "Tommy" Tomlinson, and "Tubby" Myers, athletic director of the High School.

P. H. H. S. 20—BAD AXE 0

Port Huron began its football season with a victory of 20-0 over Bad Axe. The opposing organization fought like demons, but could not hope to cope with the ability of the Red and White machine. The first half of the game was scoreless and at the beginning of the last half Port Huron took the aggressive. At no period of the game was Port Huron in danger of its goal line being passed by a Bad Axe player.

In the second engagement of the season the local boys showed that the "out to win" determination can not be denied. The Croswell team was unable to stop our crashing line and the backfield literally shattered their defense.

ROYAL OAK

Fighting through a lake of mud and water the "Red and White" defeated the powerful Royal Oak team. With a combination of an aerial attack and series of line plunges, our team overcame the onslaughts of the "Acorns." The game throughout was an exhibition of pluck, endurance, and the far famed "fighting spirit."

P. H. H. S. 7—PONTIAC 0

With the hopes of Port Huron resting on their shoulders our team journeyed to Pontiac and realized one of their greatest desires. The game proved to be one of the highest lights of the season. In every respect our men were invincible. The teamwork and pep was the outstanding factor in winning the game. The dashing attacks of Pontiac were promptly repelled and we emerged the victors, with a score of 7-0.

WYANDOTTE

When Port Huron defeated Wyandotte another milestone was passed in our efforts to produce a championship team. As usual the fellows proved to be good ducks and did not mind the wet a bit. Although the chance to display any fast football was impossible the team proved equal to the occasion and sent the boys from Wyandotte back home disappointed. However, the game was very close and our aerial attack proved fatal to the opposing team.

P. H. H. S. 31—YPSILANTI 0

One more example of Port Huron's strength and cunning was the game with Ypsilanti when we avenged the score of last year with interest. Five touchdowns were scored by five different individuals. Turner gained ground at will through the

Ypsi line, and O'Dell and Cataline displayed some of their classiest passing and reception. Ypsi failed to score which left our chalk line still tidy.

P. H. H. S. 31—BIRMINGHAM 0

Playing on a field that was a veritable sea of mud, the High School squad proved itself a real team and crossed the visitors' goal line five times while our own line was not seriously threatened throughout the game. Two touchdowns were scored by Turner and O'Dell and one by Hupert, who with Mugavero were probably the most consistent ground gainers. The seventh game ended with our goal line yet to be crossed.

P. H. H. S. 13—MOUNT CLEMENS 0

The climax of the 1925 season came on November 13 when Port Huron defeated its old rival, Mt. Clemens, 13-0. A crowd of 5,000 fans watched the "Bathers" go down to defeat. The team played a wonderful game even on the muddy field. Mt. Clemens found it hard to penetrate the Huronite "stone wall," while the mighty Frencht was effectively stopped by the Port Huron ends. Turner and Marshall ripped the "Bathers" line for big going time after time, although the honor of carrying the ball across the coveted goal line belongs to Hupert and O'Dell. This is the first time we have defeated Mt. Clemens on the gridiron for some time. May the good work continue!

P. H. H. S. 6—U. of D. HIGH 0

U. of D. presented one of the hardest teams of the year and it looked as though Port Huron would not score. A thirty yard run by O'Dell brought the ball to the one yard line and Turner was sent over the goal for the only score of the game. By laying out the U. of D. 6-0, Port Huron won the right to the State championship, as this was the last real game of the season.

P. H. H. S. 55—RICHMOND 0

The last game of the season for our championship team was played with Richmond on Thanksgiving day. Richmond this year received the worst defeat she ever suffered at the hands of Port Huron with a score of 55-0. The closest our opponents came to a touchdown was in the second quarter when they advanced the ball to the twenty-five yard line. At this battle Richmond showed good fight while Port Huron excelled in its ability to work passes.

Basketball

AFTER a very successful year on the gridiron the basketball jugglers started the season with the same high hopes in sight. Under the excellent coaching of Bonnett and French, the fellows had hopes of duplicating the feat in basketball. In view of the fact that many veterans were back from the team that turned the tables toward State recognition in 1925, it looked as though a team would be produced that would equal any team in the States for experience, skill and size. It was no idle thought, for Turner, Smith, Cataline, Monzo and Draveling were all six feet or over. Coupled with the uncanny shooting ability of Mugavero and Marshall, was the floor-work of Beale, Hupert and Steinborn.

At the start of the season the team in action surely gave promise of a successful year. They easily overcame Marine City in the opening game. Although they were a little slow, due to the new system inaugurated by Coach Bonnett, they came out and beat the Alumni.

As the time drew near for our big annual game with Lansing, cruel fate stepped in and dealt the boys an awful blow. Vernon Monzo became seriously ill with blood poisoning which put him out for the rest of the season. But the team proved equal to the emergency and took another foothold. They went into the game with "The Big Reds" with the same old fighting spirit. They did their utmost but the efforts of McGillicudy, one of Brownie Springer's proteges, in the final moments of the game caused our defeat. Turner's and Mugavero's shooting ability showed up to a good advantage, while Cataline furnished the thrills with his sensational floor-work.

As the team had once more recovered its winning form, our coach, "Baldy" Bonnett was taken seriously ill with scarlet fever. It was discouraging, but the fellows showed they were of high calibre, for they went right out and still won

games for the school. It takes a real sport to keep fighting in the face of such discouragement.

The big game with Mt. Clemens started with high hopes of success for the locals. Our fellows certainly kept the "Bathers" on the jump, but a few long tosses by Mt. Clemens finished the game in their favor. The game was not lacking in thrills. Marshall made a few spectacular shots that helped bring the score up. Cataline played his last game with the team on account of ineligibility. His fine floor-work will be badly missed.

The necessity of breaking up of the combinations certainly raises havoc with a coach's expectations. The men that filled the bill responded wonderfully to make a successful team. As the season progressed, Beale, Smith, and Steinborn were a real asset. When an extra basket was needed Art's height aided him in sinking the ball through the loops.

The advent of Bonnett on the coaching staff again inspired a new spirit in the team. They stepped out and gamboled up and down the floor for basket after basket.

In the game with Birmingham the team again displayed an attack that could not be stoped or a defense that couldn't be pierced. Turner and Mugavero did some good work and made enough baskets to turn the score in their favor.

In the next game, the team work of the fellows caused the downfall of Saginaw, Arthur Hill High School.

As the crowning event of their efforts, the squad was sent to the State Tournament. Playing against odds, Port Huron showed itself to advantage against Ann Arbor. The long tries over there and the large floor were handicaps that spelled the local's downfall. Personal fouls and the loss of Steinborn were added factors to defeat.

Baseball

ON April 10, baseball was under way. Forty candidates turned out for the team, each determined to earn a place on the squad. Coach French called the initial practice on the following afternoon at Athletic Field.

With Christensen and Richards back from the '25 squad, Sod worried little about his pitching staff. O'Dell, a rookie, also gave promise of developing into a star hurler. After a few days of practice, the squad was cut from forty to eighteen men, and then came real competition for each position on the team. With the veterans back, the team gave promise of developing into a winning combination.

On April 17, Ypsi traveled here to help us open the season. Christy was selected to hurl the opening game and held the visiting team in the hollow of his hand, while his supporting cast played errorless ball and brought five runs across the plate to win 5-0. Captain Molloy and Coach French were well pleased with the way the team performed in the opener.

Our next victim was Mt. Clemens playing here April 30th. The team showed some real hitting ability to win 15-12. Christy and O'Dell were touched for several base hits but Mt. Clemens was unable to overcome the lead attained by the Frenchmen.

On May 7, the locals traveled to Royal Oak and met defeat at the hands of the "Acorns." Walks, base hits and several errors gave the Acorns eleven runs, enough to defeat the locals easily. This defeat caused us to lose all chances of copping the flag in the Southeastern League Pennant race this year.

During the next week Richmond was defeated twice, in easy style, Richards, Christy, and O'Dell pitching shut-out ball while the murderers now hammered out thirty-nine runs in two games.

Thus far the team has played good baseball and with a little more experience should win a large majority of the games which are on this season's schedule.

Track

AS the balmy days approach the donors of the lightweights are starting into action. The aspirants to the cinder track and field have faithfully responded to the call this spring and have begun the rounds of training.

Under the instruction of Mr. Lewis for the past two years, track work obtained a foothold. Progress in this sport has been hindered by failure to get enough support to allow the team to show their real wares.

However, it is now certain that track will be an established sport, for the Southeastern League Association requires each member too present a team in competition.

With the material available this year and under the coaching of Mr. Bonnett we can hope for a successful year in this sport.

Around the nucleus of a few veterans who have patiently stuck to the ship and with other star track men willing to participate, a winning team will be formed.

Among the veterans are Minnie, Socha, Burucs, Jackson and Kerkoff. Minnie was elected captain last year. Great things are expected from this lad. In the mile run he will show any man in the State trouble.

In the dashes there are any amount of good men to choose from. Socha, Burucs, Wonderlic, Turner, Odell and Christenson are all sprinters of ability.

The advent of "Jerry" Relkin to our ranks gives us a strong bet for the high jump. There are a number of good men for the broad jump.

For the weights there are some husky fellows who have expressed their desire of limbering up their muscles by this method. Among these are Dodd, Turner, Draveling, Montgomery and most likely others before the season is far advanced.

As yet we can not predict who will be a star in any event. The season is yet in its infancy.

According to Coach Bonnett there is no reason in the world why this year's track team will not carry away the honors at the Ypsilanti meet. The fellows are looking forward with high expectations to this event. We sincerely trust that the old "rabbit foot" still does its duty.

Organizations

Girls' League

THE Girls' League has completed another year of busy work endeavoring to carry out its purpose "to promote the general welfare of the school by the co-operation of its members."

Besides carrying on the program of events listed in the calendar the League has shown interest in many other activities. The girls' basketball team has been faithfully coached by Miss Franklin. White sweaters, adorned with red P. H. letters, were provided for the yell leaders. The officers were furnished with a much needed steel cabinet in which to keep supplies. The cafeteria has functioned very satisfactorily under the able management of Miss Laure Moore. Weekly assemblies have been conducted in order to raise small sums to cover current expenses.

The present advisors are Miss Rowe, Miss Franklin, Miss Moore, Miss Slocum, Miss Meehan, and Miss McColl.

The officers are: President, Dorothy Meade; Vice-President, Helen Whiting; Secretary, Mary Jane Howard; Treasurer, Beatrice MacDonald; Publicity Agent, Mildred Getty.

The Heads of Departments are: Entertainment, Ann Failing; Social Service, Dorothy McDannel; Personal Efficiency, Mary Pressprich.

Helen Fish, Irene Tancock, Madge Klause, Evelyn Young, Marietta Voltz, Wilhemina Small.

THE first French Club in the history of P. H. H. S. was organized on October 15 under the name of Le Cercle Francais. The following officers under the guidance of their advisor, Miss Virginia Everham, led the club through its first year: President, Eileen Day; Vice-President, Dale McLeod; Secretary, Vera Wurzel; Treasurer, Louise Savill.

This organization was formed for the express purpose of furthering interest in the French language and France. The Club members have accomplished this by taking an active part on the monthly programs which were both educational and interesting. French customs and industries have become known through the use of moving pictures, while correspondence with students in France has created a personal interest.

The foremost event of the club year was a banquet served in French style.

La Tertula Espanola

Max Farmer, Austin Robbins, Stephen Burucs, Esther Sietovitz, Miss Henderson, Ruth Mason, Clark Dewey, Novia Osgood, Miss Slocum, Lavern Latham, Clarence McCollom, Roland Heddle.

Dorothea Niles, Phyllis Walmsley, Margaret Chase, Bessie Allen, Ann Failing, Margaret Stevenson, Grace Buntrock.

Bessie McCormick, Bertha Thompson, Esther Dietrich, Lucille Stoner, Pauline Schmude, Lydia Wonch, Eleanor Falk.

A new feature in P. H. H. S. this year is the Spanish Club. It was organized in October, under the direction of Miss Henderson and Miss Slocum. The object of the club is to promote the interest in the language and to acquaint the students with the life and customs of the Spanish speaking people.

The officers for this year are: President, Lucille Stoner; Vice-President, Esther Dietrich; Secretary, Mildred Cook; Treasurer, Pauline Schmude; Sergeant-at-Arms, Charles Waterloo.

The big social event of the Spanish Club this year was a dinner dance given in the school March 8. Later in the year a Spanish play, "Uno de Ellos Debe Casarse," was presented.

The successful organization of this club is largely due to Miss Henderson and Miss Slocum, who have devoted much time to it.

Latin Club

Evelyn Scott, Mabel Morrow, Evelyn Hopps, Fred Barrett, Lester Hock, Marion Berkeley, Olin Provost, Omar MacDonald, Pauline Archer, Dorothy Kemp.

Evelyn Stevens, Helen Fish, Emma Bryce, Nellie Walker, Katherine Fitzpatrick, Beatrice MacDonald, Mona Wilson, Bernice Kahman, Grace Smith, Elizabeth Conkey, Eleanor Welsh.

Pearl Avery, Eleanor Wonderlic, Edna Barrett, Katherine Von Hiltmier, Carolyn Browning, Dorothy Stoner, Rose Miller.

THIS year, as in years before, the aim of the Latin Club has been to create more interest in the Latin Department. At the first meeting of the year the following officers were elected: President, Beatrice MacDonald; Vice-President, Evelyn Jones; Secretary and Treasurer, Eleanor Wonderlic.

Among the very interesting meetings held during the year was the birthday party of the Latin Club at which time the fifth birthday of the club was celebrated. Another attractive meeting was that conducted by the Cicero Class when a playlet entitled "Cordelia" was presented.

The most important project of the year has been the framing of 25 pictures of Latin scenes and places of interest in and about Rome. These are to be put in the new Latin Room when it is completed, but they are at present in Room 301 in the form of a frieze.

This year the programs for the club meetings have been presented by the different classes.

The Club owes a great deal to the direction of Miss Kellogg who has worked very hard to make Latin interesting for her students.

Senior Shorthand

Ruth Norris, Evelyn Young, Mary Noble, Lucy Young, Hazel Lynch, Margaret Mugridge, Doris Bond, Ruth Tinsey, Eileen Day, Margaret Prescott.

Mildred Smith, Dorothy McIntyre, Mary Pressprich, Helen Wood, Eleanor Klammer, Mildred Moore, Miss Murphy, Florence Finch, Marguerite Brown, Aileen Graham.

Katherine Ashley, Dora Keeley, Lorna Cook, Esther Westphal, Alice Hamel, Laura Smith, Ruth Klump.

THE Senior Shorthand Club of 1926 was organized September 21, 1925. The following officers for the year were elected: President, Mary Pressprich; Vice-President, Dorothy McIntyre; Secretary, Madge Klause; Treasurer, Hazel Lynch; Honorary members, Miss Murphy, Miss Turner.

The club has had many activities during the year, and among the social functions that were given are: A weenie roast at Lakeport, and the members enjoyed dancing at Brown's cottage afterward. A Hallowe'en party was given October 28, and music was furnished by "Don Preston's Rialto Boys." Two theatre parties were given by the losing sides in Shorthand and Typewriting contests. A party was given for the Juniors and music was provided by McKanlass Orchestra. This is the first party given for the Juniors, and it is hoped in the succeeding years Juniors will be thus entertained. The largest of the events was the Alumni party given April 30. This was a very attractive party. A picnic was held at Wees Beach, June 4.

Candy was sold throughout the year, and a bake sale and chocolate was given by the students to raise money to enable students to take part in the district contest which was held at Port Huron, April 24, and to send participants to the contest at Kalamazoo held May 14. A new filing cabinet also was purchased by the students for the shorthand classes.

Science Club

THIS year the Science Club was reorganized so that the students might follow up the subject in which they were most interested.

Three departments, radio, electricity, and photography, were begun and much interest was shown at the meetings.

Edward McElroy was chosen President of the Club; Ralph Smith, Vice-President; Marjorie Barnes, Secretary, and Alfred Palmer, Treasurer, were the other officers elected.

The meetings were held regularly the second and fourth Mondays of each month and, because the Club was social as well as instructive, all enjoyed the meetings.

In the early part of May the Club sponsored an exhibit of the work done in all the departments of the school.

The success of the Club is due to Miss Franklin who had the department in photography, and to Mr. Black and Mr. Draper who led those interested in electricity and Radio.

Mr. Denkleburg, a local photographer, was also interested in the Club and taught the members many interesting facts.

Dorothy Meade, Norma MacVicar, Margaret Ryan, Mary Louise Hoyt, Mary Jane Howard, Frances Henson, Mildred Getty, Laura Smith, Mrs. Cochrane.

WHEN the Girls' Hi-Y Club was organized in September an active year was planned. These plans carried out the purpose of the club which is to create and maintain high standards of Christian living throughout the school and community. The club did not neglect the social part of their program—among the events being the Mother and Daughter banquet, Father and Daughter dinner, sleighride and dance.

FOR goodfellowship and all around fun, the Wednesday meetings of the Hi-Y Club are hard to equal.

The club which is composed of High School students is sponsored by the Y. M. C. A. Its advisors come from the board of directors of that institution and the faculty of the High School.

While goodfellowship and hearty good times are always a rule with the club, they do, besides, work of a serious nature. The "Four C's" campaign conducted in May illustrates the constructive work of the club.

The officers are as follows: President, James Jones; Vice-President, Richard Mugavero; Secretary, Byron Paige; Treasurer, Stewart Lagassee; Sergeant-at-Arms, Frank Langs.

Lighthouse

IN its fifth year of publication the *Lighthouse* has become a better paper and more worthy of the school it represents. At the beginning of the school year, three papers were issued with Nellie Walker, Dorothy Roberts, and Nelson Jackson as editors, and when the editorial board met, Nellie Walker was elected editor, and Dorothy Roberts, associate editor. Editors of the publications for next year may be elected before the end of this semester so that they may have some experience this year and be able to begin work in earnest in September. At the beginning of the new semester the members of the staff met at the first hour Tuesdays and Fridays with Miss Woodward to discuss the material handed in and to get suggestions to write better articles. So that the news of the week-end would not be old the day of publication was changed from Friday to Tuesday and found to be very satisfactory.

March 5, delegates left for the convention of the M. I. P. A., of which the *Lighthouse* is a member. Speeches and roundtable discussions were given from which the delegates obtained ideas that were useful in the later issues. Those who represented the *Lighthouse* were: Nellie Walker, Dorothy Roberts, Alyce Mahnke, and Herman Stein of the editorial staff, and James Jones and Jack Barron of the business staff.

April 13, former editors and business managers of the publications were entertained at a dinner given at the school by the members of the *Lighthouse* and *Student* staffs. Some of the speakers had gone further than we in this field of work and told of the experiences they had since they had left High School. This dinner was very enjoyable and may become an annual affair.

Much credit for the *Lighthouse* is due to Miss Beatrice Woodward, who not only is advisor but friend and counselor of those who are interested in publications.

School Play

WEDNESDAY evening, December 9, 1925, at the Majestic Theatre, "You and I," a Harvard Prize Comedy by Phillip Barry, was presented with great success. "You and I" is an entertaining comedy with just a suggestion of tragedy. Following the precedent established last year the cast was selected from the whole school, thereby allowing Seniors, Juniors and Sophomores equal representation.

Helene Moray as "Nanny White," and Hugh McInnis as "Matey," her husband, who had chosen marriage in preference to a career as an artist, played well their difficult and somewhat tragic roles. Louyse Wilkins enacted a splendid character part as "Etta," the maid, and a would-be "lady." Fred Summers as "G. T. Warren," soap manufacturer and employer of Matey, was a bustling and talkative business man. "Geoffrey Nichols," author and man of the world, was played by Frank Walker. Last, but not least, were the lovers, "Ricky White" (Dick Mugavero) the son of Matey and Nanny who, loving Ronny Duane (Geraldine Yake) decided to sacrifice his study of architecture abroad in order to marry her. However, all ended happily when through a will of his grandfather, Ricky and Ronny were both able to go abroad where Ricky continued his study of architecture.

Musical Achievements

DISTRICT CONTEST

ON Friday, May 14th, fifty boys and girls, members of the Port Huron Glee Clubs, took part in the district contest at Ypsilanti, and won first place under the Class A mixed chorus classification.

They sang "Trees," by *Rasbach*, and "A Maid More Beautiful Than Day," from the "Rosemaiden," by *Cowan*. William Cameron, a member of the Boys' Glee Club, sang the introductory solo to the second selection mentioned, and Pauline Schmude played the accompaniment for both the numbers.

Much credit is due both to Miss Fraser, director, and to members of both Glee Clubs who worked faithfully and carefully for several weeks.

SIGMA ALPHA IOTA

During the past year, Miss Edna Fraser, Musical Supervisor of the Port Huron Public Schools, was initiated into a national musical sorority, the Sigma Alpha Iota.

We heartily congratulate Miss Fraser and it is with greatest pleasure that we note such honorable recognition of one who has rendered unselfish service and worked with untiring energy in behalf of musical education in the schools of Port Huron.

Girls' Glee Club

Josephine Rapley, Ruth Mason, Grace Brown, Maxine Nearpass, Ruth Edwards, Nellie Walker, Ruth Lymburner, Winnifred Sinclair.

Marion Henry, Margaret Wilke, Dorothy Meade, Helen Moray, Miss Fraser, Hazel Morden, Helen Dart, Isabell Hopps, Bertha Tompson.

Eleanor Falk, Ethel Boardman, Esther Haney, Lenore Crockett, Anna Dorward, Evelyn Stevens, Wilhelmina Small, La Verne Hall, Dorothy Kemp.

THE Girls' Glee Club which met on Monday, at the half hour period, was reorganized this year with a much smaller enrollment. The number was limited to twenty-five, and members were admitted only after their voices had been tested thoroughly by Miss Fraser.

The club did some excellent work and made a good record for the school at the annual contest at Ann Arbor.

The officers are: President, Winnifred Sinclair; Vice-President, La Verne Hall; Secretary and Treasurer, Margaret Wilke; Accompanist, Ruth Lymburner.

Senior Girls Double Trio

FOR the first time in its history, Port Huron High School had a Girls' Double Trio which is composed entirely of Senior members of the Glee Club. Miss Fraser first planned to form a double quartette but it was found that most songs were better suited to six voices so a double trio was formed. The members are: First Soprano, Dorothy Meade, Margaret Wilke; Second Soprano, Isabelle Hopps, Nellie Walker; Alto, Evelyn Jones, Helene Moray. The girls furnished music at assemblies, P. T. A. meeting, and at Miss Steele's recital.

Girls' Choral Club

SOMETHING entirely new in Music Clubs was started this year, when the Girls' Choral Club was organized. All girls who wished to belong to a music group, excepting members of the Glee Club, were qualified for membership. About 92 girls joined, and the support of this club was greatly appreciated in the work on the "Rose Maiden." The officers of the Choral Club are: President, Pauline Schmude; Vice-President, Mildred Cook; Secretary and Treasurer, Margaret Ryan; Accompanist, Louise Moffett; Librarian, Jean Reid.

MIXED CHORUS

One of the largest choruses in the history of the High School has had a very successful musical year. The Chorus consisting of 165 members is made up of the members of the Boys' Glee Club, the Girls' Glee Club and the Girls' Choral Club. As the closing event of the May Festival, held May sixth and seventh, the "Rose Maiden," a cantata by Frederick Cowan, was presented by the Chorus. The solos were sung by Mrs. Ross MacDonald, Soprano; Miss Evangeline Lehman, contralto; Mr. George MacComb, tenor, and Mr. Walter Treleaven, baritone. Pauline Schmude, an excellent pianist, was accompanist for all chorus music as well as the cantata. Marjorie Brown accompanied the solos.

THE ROSE MAIDEN

The Queen of the Flower Fairies, weary of a life of unbroken calm, prays of the newly returned Spring that he will bestow upon her also the gift of love that he bestows upon man. He warns her of the risk she runs, but finally yields to her entreaties by changing her while she sleeps into the form of a beautiful girl. Under the name of Roseblossom, she wanders through the world to find the love that she seeks, and meets with a girl who, having been betrayed and deserted by her lover, loses her senses and dies broken-hearted. But, undeterred from her search, Roseblossom becomes the wife of a forester, with whom she lives for a time in such perfect happiness that she cannot survive his death. The elves bewail the fate of their Queen, and curse love as fatal to peace and happiness.

THE Boys' Glee Club, under the direction of Miss Fraser, continued this year as in the past to be a very successful organization.

Immediately after school opened in the fall, officers were elected as follows: President, Byron Paige; Vice-President, Russel Johnson; Secretary and Treasurer, Carl Steinborn; Librarian, Robert Orr.

Work was begun at once on the "Rose Maiden," which was given by the combined chorus. In the spring the club began to practice on the songs which they sang at the annual Glee Club Contest in Ypsilanti.

Boys' Quartette

THE Port Huron High School Quartette has been fully established in P. H. H. S. They have appeared at several pep meetings this year and have made a fine showing. They also sang at the following places: First Methodist Episcopal Church at Jeddo, Michigan; Jefferson School, Grace Church House, Garfield School, Mount Clemens High School, American Association of University Women, Kiwanis Club, and over W. A. F. D. broadcasting station.

The Quartette is composed of William Cameron, first Tenor; Carlton Carey, second Tenor; Ralph White, first Bass, and Clyde Bower, second Bass. Miss Fraser has worked with them continually, and she deserves as much praise as the quartette itself. The quartette plans to keep in existence even after school is out in June and work up to be a standard organization in the City of Port Huron.

Orchestra and Band

THE Senior High School Orchestra began this year under the able direction of Mr. L. R. Challinor with a membership of thirty players. For the first time, orchestra counted as a full credit and rehearsal was held daily, at the seventh hour.

The orchestra gave a large number of concerts. Some of these were at Garfield High School, Junior High School, Washington Avenue Church, First Congregational Church, First Methodist Church, First Baptist Church, besides concerts given over the radio. In these many programs, the orchestra established itself as a favorite of the Port Huron people.

At the beginning of the second semester Mr. E. E. Straffon began his duties as assistant director of the orchestra and also gave lessons in school.

A band was organized from the members of the orchestra. The Kiwanis Club voted to sponsor the band and buy uniforms and new instruments. Through their assistance, six clarinets, a baritone and a bass horn were added to the personnel of the band.

The band also made several appearances at the Hotel Harrington and it made a very favorable debut over the radio. The week of May 9-15 was called Band Week and was the crowning glory of the band. On Monday evening, it played at the Chamber of Commerce banquet. Wednesday, Thursdays, and Friday, Mr. Harry Goseline gave the use of his theatre, the "Strand," to the band for its benefit, the money to go to the band. This proved a very successful enterprise.

With the new instruments acquired this year and the experience gained in public recitals, the band and orchestra should make a very successful showing in 1927.

Red Letter Events

LEAGUE PARTY FOR NEW GIRLS

The first party of the Girls' League followed out the custom of entertaining the girls new to the school. The program was a novel one. Mary Louise Hoyt gave an eccentric dance. This number was followed by some piano selections. After this came the old-fashioned style show, featuring our friends, Jean Reid, Dorothy McDannel, Laura Smith, Katherine McNaughton and Mary Pressprich. As the concluding number the "Uke Girls" gave a peppy finale. Dancing followed the program and refreshments were served.

FOOTBALL BANQUET

Our girls of the League topped the climax of the Mt. Clemens game when they banqueted the Mt. Clemens and Port Huron Football teams at six-thirty on that lucky day, November thirteenth.

The after-dinner speeches were as follows: Toastmaster, Mr. Meade; "Greetings from Mt. Clemens," Mr. Philip Lovejoy; "The Scrimmage," Raymond Hupert; "Prints," Clarence Frendt; "Sport," Mr. H. A. Davis; "Work," Mr. L. N. Fast; "Grange and Range," Coach Olsen; "The Ifs and Ands," Coach M. J. Meyers.

Immediately after the banquet the football men were entertained at a school dance at the Junior High Gym. The Merrymakers provided the music and the affair was a huge success.

CHOCOLATE FOR LEAGUE MEMBERS

Everyone had a good time at the Chocolate on November 6 given by the Senior girls of the League in honor of the Junior and Sophomore girls. The affair was given at the Methodist Church House. Don Preston's orchestra added to the pleasure of the girls. The general chairman was Ann Failing.

GIRLS' LEAGUE FROLIC

Winter winds and snows were forgotten on January 29, when the members of the Girls' League and their guests danced in a spring bower. This mid-year hop was one of the most successful affairs the League has ever sponsored.

Don Preston's Rialto orchestra provided splendid music throughout the evening. Punch was served.

The committee was as follows: General chairman, Ann Failing; Music, Alyce Hamel; Decorations, Pauline Schmude, Jean Reid, Beatrice Schuck, Lucille Stoner; Punch, Evelyn Jones, Marjorie Barnes; Programs and Bids, Mildred Getty, Ada Quail and Eleanor Fish.

ST. PATRICK'S DAY BREAKFAST

Unique and delightful was the St. Patrick's Breakfast at which the Sophomore girls of the Girls' League entertained the Junior and Senior girls Saturday morning, March 13, at the First Methodist Episcopal Church House.

The guests were entertained by an enjoyable program while the Sophomore girls daintily dressed in green and white caps and aprons, served them.

Don Preston's Rialto orchestra furnished music for dancing which continued until one o'clock.

ANNUAL SENIOR-SOPHOMORE PARTY

The Seniors were hosts to the Sophomores at a party given in the Junior High Gym, Saturday, October 24. The committee in charge was: Chairman, Katherine Fitzpatrick; Helpers, Marshall Woods, Dorothy McDannel, Edward McElroy, Beatrice MacDonald.

JUNIOR-SENIOR PARTY

The Juniors were hosts to the Seniors at the annual Junior-Senior party which took place February 26, at the Auditorium. Carlton Carey was general chairman.

SOPHOMORE PARTY

On February 19, the Sophomores held a party in the Garfield Junior High School. Don Preston's Rialto orchestra furnished music. Thomas Draper was general chairman and the chaperones were Mr. and Mrs. L. F. Meade, Miss McColl and Miss McLaren.

HI-Y BOYS' FROLIC

A "Frolic" was the right name for the Hi-Y boys' party given at the W. B. A. Temple, October 29. Norman Whiting's newly organized "Merrymakers" supplied the music. Committees in charge were: Social, Carlton Carey and George Hathaway; General Chairman, Frank Langs; Decorations, Stuart Lagassee; Bids, Richard Mugavero.

SENIOR GIRLS' RECEPTION

The Senior girls and their mothers were entertained at a reception in their honor given by the American Association of University Women at the Methodist Church House, Wednesday, March seventeenth.

The guests were very fortunate in hearing Mrs. Frederick Ruy, Dean of Girls, Highland Park. Mrs. Ruy gave a very interesting informal talk concerning some of her experiences.

PRESS BANQUET

Eight former directors of the *Lighthouse* and *Student* met with the present staffs at a press banquet given in the Junior College Library, April 13. This is the first affair of its kind ever to be given, but it was voted at the banquet that it be made an annual meeting, to be sponsored by the students who form the publication staffs each succeeding year.

Nellie Walker, as the present editor of the *Lighthouse*, which was sponsoring the banquet, opened the program by extending a welcome to all those present, and presented Louis Weil, Jr., as toastmaster. He introduced many former school leaders who spoke along appropriate lines.

GIRLS' HI-Y BENEFIT DANCE

On May 22 the Girls' Hi-Y Club gave a benefit dance at the Washington Junior High School to raise money to start a fund for equipment for Girls' Hi-Y Club rooms. Don Preston and his Rialto Boys furnished the music.

HONOR SOCIETY BANQUET

The members of the Honor Society were entertained at a banquet given by the faculty in their honor, on May 17, in the Grace Church House.

JUNE HOP

The Seniors will be entertained by the Juniors at the W. B. A. Camp on June 25 when the annual event of the school is carried out.

Cliff Barnby: I tell you this play makes me think.

Earl Donaldson: Miracle play, eh?

If a Chinaman speaks broken English, would an Englishman speak broken China?

I'm quite a near neighbor of yours, now, said Mr. Bore. I'm living just across the river.

Indeed, replied Miss Smart, I hope you'll drop in some day.

Cop: Hey, where are you going? Don't you know this is a one-way street?

Abe (in a new car): Vell, I'm going one way, ain't I?

Nowadays it takes two licenses to marry a girl.

Marriage and automobile.

Would Bill die for you?

I don't know, he says I make him sick.

I know you are egotistical,

He told his room-mate, Joe;

I know you're egotistical,

Your I's have told me so.

Bob: What are you thinking about?

Helen: Nothing. What did you think?

I was thinking about?

Bob: Nothing.

Al. Steinman: I want a No. 2 pencil.

Clerk: Velvet.

Al: No, just a wooden one.

Mother: Is daddy asleep?

Pearl Avery: Yes, all but his nose.

To old man: "Say Mister, were you on Noah's ark?"

"No, my son."

"Then why weren't you drowned with all that didn't get on?"

It seems there were two Irishmen, Pat and Mike. They met one day on the street and the following conversation took place:

"Pat, you owe me tin dollars."

"Begorra, Moike, this is the first time that two Irishmen named Pat and Mike ever met and there was no joke."

Mr. Meade: "Boy, I'm principal here."
Soph.: "Oh, well, you look honest."

This examination will be conducted on the Honor System. Please take seats 3 apart in alternate rows.

F. Lang: "Women bore me to tears."
Pete Cox: "Ain't it the truth. I can't get a date either."

Nellie W.: "Sometimes you seem so manly and other times absurdly effeminate. Why is it?"
Henry Arnold: "Heredity. You see half my ancestors were men the other half women."

Mac: "Ever had any operative experience?"
Beth: "Yes, I played the nut in Ben Bolt."

Mush: "How does sister like the new engagement ring I gave her?"
Bill: "Well, it's a little too small. She has an awful hard time getting it off when the other fellows call."

Jack Barron: "I say, I guess you've been out with worse looking fellows than I am, haven't you?"
Bernice Twiss: "I heard you the first time. I was just trying to think."

Bob: "Say, Molly, I heard you played in the Covered Wagon."
Molly: "Oh, yes, I did."
Bob: "Well, I saw the picture and I didn't see you in it."
Molly: "Oh, I was in the wagon."

"Wanta buy an engagement ring?"
"Whassa matter, yer girl throw ya down?"
"Naw, we got married."

TO THE GRADUATES *Greetings*

We greet you as you leave the quiet halls of the school and enter the outside world of broader activity.

We know that each of you will enter your new life determined to give adequate service in return for what you may receive.

That is the thought of this Association of women, to serve humanity by protecting the American home.

You are cordially invited to visit our Headquarters on Military Street, and tour each department with a guide, who will explain to you every detail of our work.

The Woman's Benefit Association is the largest fraternal benefit society in the world composed exclusively of women. It was founded to give insurance protection at moderate, but adequately safe cost, to women and children, and today it has \$184,614,835.00 in protection in force.

It invites every girl graduate to enter its membership, join its local Laf-a-lot Club and identify herself with one of the greatest Organizations for women in this country.

TUSCO STYLE SHOP

Many have discovered the great secret of true economy in the purchase of shoes and hosiery. Two pairs of shoes at the price usually paid for one pair, is the secret of the well-dressed. Tuttle-Scott Stores fit into the present mode of living, for these shoes represent true economy without any sacrifice of pride in appearance on the part of the wearer. Comfort and long wear as well, in both shoes and hosiery. A trial will convince. May we serve you?

When the Word Is As Good As a Bond

Happy should be the merchant whose word is regarded by the public to be as good as his bond.

Although his printed advertisement may be but a promise, it is a valid promise because the public has learned that his deeds speak louder than his words.

Your experience with us—if it has been long enough to test us thoroughly—has proved that the promises made in our advertisements are never flippant and thoughtlessly made.

We are glad that Truth has become the dominant force in advertising. This is helpful alike to merchant and his customers.

It affords a common ground for mutual understanding and turns shopping from uncertainty into an experience of trust and satisfaction.

The Priceless Gift—Your Portrait

IF our sole desire were to *sell*, it would not be necessary for us to use time and careful judgment in our Portraits to secure the best composition, the most suitable viewpoint and lighting effect to picture each person in the most pleasing and characteristic attitudes—nor to know human nature to the extent of creating an atmosphere in which you feel at ease—your real self—making your visit to our studio a pleasure rather than a task. Nor would we need be masters of the technical side of Photography—paying particular attention to the *little things* that mean so much in a good Portrait; correcting by the most expert retouching and etching the curve of an eyebrow, a rather unshapely mouth or nose, the delicate cantour of an arm or throat—the *little things* that give added beauty and charm—nor would it be necessary to finish the prints with the brilliant luminous quality and tone and to deliver them in mountings of exclusive design.

For there are vast quantities of photographs *sold* which have not the distinctiveness or personality of an Israel Portrait simply because there was no conscientious effort made to give particular attention to those things that are so essential in the making of a good Portrait.

There will be no apologies to make if you give an Israel Portrait.
